Building Permit

WHEREAS, said letter dated as aforesaid with recommendations was before the Township Committee on August 19, 1946, and a resolution was presented approving said recommendations, said resolution, however, being by unanimous vote ordered held over until ~~the~~ next regular meeting for further study because of objections made by taxpayers in the immediate vicinity to the change in the Zoning Ordinance to permit the erection of the proposed apartments, and

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Woodbridge, in the County of Middlesex, that the recommendations of the Board of Adjustment, as set forth in its letter to the Township Committee dated Aug. 13, 1946, with reference to apartments proposed to be erected on Lot 1-A in Block 282 and on Lot 1-A in Block 289, be and the same is hereby disapproved for the following reasons, to-wit:

- (1) that to approve would be against the safety, comfort, convenience and the general good and welfare of the community;
- (2) that to approve would be contrary to the public interest and would tend to materially increase traffic, fire, panic or other dangers and would not observe the general spirit of the Zoning Ordinance, and
- (3) that to disapprove will not cause unnecessary hardship to the landowner if the variance or exception to Zoning Ordinance requested, is not granted.

UNDER REMARKS:- Committeeman Mroz - I cannot vote for this resolution. I believe that the erection of a 300 unit apartment building in Woodbridge would provide homes for Veterans and help the present housing shortage, would also increase the Township's ratables and merchants would benefit by the purchasing of merchandise. Committeeman Warren agreed with Committeeman Mroz; said Township needed more ratables at this time. Spencer and Bergen were in favor of Resolution. On roll call:- Spencer, Bergen, Schaffrick and Bankin Voted - Yes. Warren and Mroz Voted - No. RESOLUTION WAS THEN ADOPTED.
